

West Caldwell-Caldwell Recreation

Smart Fun Camp

Math Made Fun

Smart Fun Camp Directors are highly qualified and experienced New Jersey State Certified Elementary Teachers with over 10 years of teaching experience.

WHO:

Math Camp is open to **students entering grades K-3** in September 2018.

WHAT:

Mastery of math facts and math fundamentals are imperative to becoming successful in math. This camp focuses on building math skills through exciting games, centers, songs, crafts, and teaching strategies to gain confidence and build on essential skills for a smooth transition into the next school year. Grade level math facts, word problems, time, money and fractions are some of the areas that will be covered. All activities will be done in grade and achievement level small groups.

WHERE:

The West Caldwell Civic Center, corner of Clinton Road and Bloomfield Avenue

WHEN:

August 20 - 24, 2018 (9:00 - 12:00 pm)

Camp fees: \$175/week

WHY:

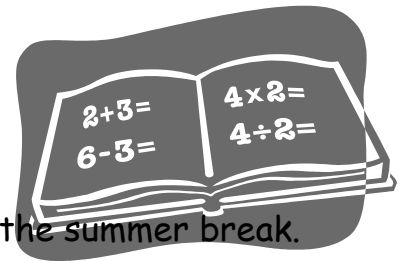

Studies have shown that some student's academic skills regress over the summer break.

***Camp is limited to 20 participants, register early at the Recreation office,
30 Clinton Road, West Caldwell or Online***
