

Township of West Caldwell

Mayor's Message of April 9, 2021

This is West Caldwell Mayor Joe Tempesta with a public service announcement.

Please be advised the West Caldwell Health Department has informed us as of today Friday, April 9, 2021 we currently have nineteen (19) new confirmed cases of Covid-19 in West Caldwell's general population since last week.

Of the 19 new confirmed cases, all individuals have already recovered. Since the beginning of the Pandemic, we have had a total of 682 cases, of which, we have had 14 citizens pass away in our general population. Thankfully, we have had 663 cases closed whereby those citizens are recovered and are no longer quarantined.

In our two skilled nursing facilities combined we have no current COVID-19 cases in Crane's Mill and Hackensack Meridian Health WC Care Center.

We encourage all of you to continue the practice of social distancing, wash your hands often, and wear masks whenever possible. House parties tend to be an incubator for the Covid-19 virus, and we remind all of you to be careful and try and limit house gatherings to under 10 people.

I also ask that you continue to join me in thanking all our first responders and teachers. I also thank you for continuing to patronize our restaurants and retail stores.

All eligible individuals may register for the COVID vaccine through Essex County by visiting essexcovid.org or by calling 973-877-8456. Appointments have been available most mornings between the hours of 8:00 am and 9:00 am.

All residents may also preregister for the vaccination through the State of New Jersey by visiting covidvaccine.nj.gov – thank you.
