**Mayor's Message of December 11, 2020**

**This is West Caldwell Mayor Joe Tempesta with a public service announcement.**

**Please be advised the West Caldwell Health Department has informed us as of today Friday December 11, 2020 we currently have twenty-seven (27) new confirmed cases of Covid-19 in West Caldwell's general population since last week.**

**Of the 27 new confirmed cases, 15 individuals are home quarantined and recovering and the other 12 individuals are already recovered. Since the beginning of the Pandemic, we have had a total of 282 cases, of which, we have had 8 citizens pass away in our general population. Thankfully, we have had 259 cases closed whereby those citizens are recovered and are no longer quarantined.**

**We currently have 3 current COVID-19 cases in the Hackensack Meridian Health WC Care Center. There are no current cases in Crane's Mill.**

**We encourage all of you to continue the practice of social distancing, wash your hands often, and wear masks whenever possible. House parties tend to be an incubator for the Covid-19 virus, and we are simply trying to remind all of you to be careful and try and limit house gatherings to under 10 people.**

**I also ask that you continue to join me in thanking all our first responders and teachers. I also thank you for continuing to patronize our restaurants and retail stores.**
