Mayor's Message of August 28, 2020

This is West Caldwell Mayor Joe Tempesta with a public service announcement.

Please be advised the West Caldwell Health Department has informed us as of today Friday August 28 we currently have 4 new confirmed cases of Covid-19 in West Caldwell's general population since last week. These individuals are home quarantined. Since the beginning of the Pandemic we have had a total of 130 cases, and we have had 6 citizens pass away in our general population.

Thankfully we have had 120 cases closed whereby those citizens are recovered and are no longer quarantined. We are also thankful the community is being diligent in social distancing and the wearing of masks particularly when you cant's social distance. We encourage all of you to continue this practice for the foreseeable future.

We also want to remind parents particularly parents with young student adults at home, please make sure they social distance and wear a mask whenever possible. Local house parties tend to be an incubator for the Covid-19 virus and we are simply trying to remind all of you to be careful.

In our two skilled nursing facilities combined we have no current Covid cases in Crane's Mill and Hackensack Meridian Health WC Care Center. Tragically though since the beginning of the Pandemic we have had 44 deaths in those facilities.

I also ask that you continue to join me in thanking all our first responders and teachers. I also thank you for continuing to patronize our restaurants and retail stores.
