December 13, 2019

No Regular meeting was held in December. The CWC Club hosted a Holiday Luncheon at the Greenbrook Country Club. Among the 83 registered guests there were seniors from Verona and North Caldwell.

The President, Bill Edge, welcomed all and introduced the dignitaries present and thanked sponsors (see attached agenda). Also present was representatives from the office of Congresswoman, Miki Sherrill who remained to describe senior services and respond to questions.

Bari Schmulewitz assisted in organizing the specifics of the event including menu selection, table center pieces, door prize drawing for poinsettias, individually wrapped Christmas coffee mugs – a take home gift – and an entertaining superimposed photo op. Music was provided by Anthony Boccochino - DJ. Hi Tech Imaging, Scott Montagna provided the photo ops.

Six new members were recruited.
