

3rd Annual Skate4CF

hosted by

Gregory & Jeanne Courtright
and sponsored by Floyd Hall Arena

Sunday, March 2nd

12:30PM - 2:30PM

Join **Matthew and Mitchell's Crew** and **Floyd Hall Arena**

for an open skating session at Floyd Hall Arena in Little Falls and help us raise money for Cystic Fibrosis charities.

All proceeds for this event will be donated to the **Cystic Fibrosis Foundation** and the **Mauli Ola Foundation**.

Skate on the ice at **Floyd Hall Arena** with friends and family.

Bid on items at the silent auction.

Watch a special Figure Skating performance by Mackenzie, dedicated to her brothers and those with **Cystic Fibrosis**.

Toy drive to benefit **St. Barnabas Child Life Program**

Cost of the event is **\$20 per person** and includes complimentary skate rentals and walkers if needed.

Cash/Check Only Pay at door

During the event, we are collecting new toys to benefit the **Saint Barnabas Medical Center Child Life Program**

What is Cystic Fibrosis?

Cystic fibrosis is an inherited chronic disease that affects the lungs and digestive system of about 30,000 children and adults in the United States.

In the 1950s, few children with cystic fibrosis lived to attend elementary school. Today, advances in research and medical treatments have further enhanced and extended life for children and adults with CF. **There is no cure for Cystic Fibrosis.**

For more information about Cystic Fibrosis, contact the Cystic Fibrosis Foundation at www.cff.org.
